

Rick Barry exhibits the form that led to his being undefeated in league matches.

Under the coaching of Mr. Chadwick, the Varsity Wrestling team finished fourth in the City-Catholic League. Although suffering their first losing season, the grapplers managed to outpoint their competition 324 to 310 in the fourteen league and non-league matches. Despite being riddled by injuries, the Kings maintained the strong competitive spirit that is a part of our wrestling tradition. A major disappointment was the sixth place finish in the Diocesan Tournament, the first time the grapplers have failed to capture the title since its initiation.
