A WORD FROM THE EDITOR

I hope you all enjoy this first issue of Monroe County Wrestling News. Please send us your reactions, suggestions, and any news which you feel might be of interest to the area wrestling people. We would also be extremely pleased to print any articles pertaining to wrestling which you would like to submit for future issues.

My own interest in county wrestling dates back to the 1965-1966 season when I first managed the varsity team at Eastridge. We won the divisional championship that year and repeated for several years after. Then along came Spencerport...

Actually, I helped out at Spencerport this past winter and found it to be a very rewarding experience. This is one team I have a great amount of respect for. Other than Spencerport, my closest ties in wrestling this past season were probably with Eastridge, Irondequoit, and Bishop Kearney, since I cover the sports of these three schools for our town newspaper, The Irondequoit Press. I did programs this year for Spencerport, Eastridge, Irondequoit, Bishop Kearney, and East Rochester. I'm convinced that little things such as programs can go a long way in increasing interest in this sport.

I also think a newsletter such as this can be a help to our sport. I think wrestling needs more communication between the various schools. I am hoping to organize a Monroe County Wrestling Club with representatives from each school meeting to discuss means of improving the local mat scene. Perhaps with a little work, we can dethrone basketball as "king" of the area winter sports.

Please write to us with your comments, suggestions, or news. The address is elsewhere in this issue.

Sincerely,

TERRY JUSTICE

## Notes on The Corning Tournament

April 8, 1972 at Corning Community College

- \* The high school division attracted a record field of 198 grapplers.
- \* Pennsylvania Olympic Club won the team championship. The top Rochester area finisher was the Canandaigua Elks team, which finished in a tie with Pioneer Wrestling Club for third place.
- \* Individual winners from the Rochester area included Canandaigua's Jim Hartwell at 147 pounds and Gates-Chili's Alex Macaluso at unlimited.
- \* Classiest battle of the tourney was a rematch of this year's finals of the 105 pound class of the New York State intersectional tourney. In that one, Bob Sloand of Niagara-Wheatfield had pinned Canandaigua's Mike Chappelle. In this return meeting at Corning, however, Section 6 champ Sloand was forced to settle for a referee's overtime decision victory. The two rivals competed at 114 pounds in the Corning match, and once again, it was a final round pairing.
- \* Although Canandaigua had only one champion, the Elks did have five finalists. Besides Hartwell and Chappelle, the others were Gene Gigliotti, Bruce Hadsell, and Dave Colf.
- \* Bob Hadsell, an 8th grader from Canandaigua, gave Section 6 champion Mike Arnold a real battle at 100 pounds but lost by a very narrow, one point margin. Arnold wrestled for Pioneer.
- \* It was a rough tournament for Irondequoit High's Twelve Team. Todd Campo drew Jim Hartwell as his first round opponent at 147 pounds and although Campo made a good showing, he lost a 6-1 decision. Campo may have placed had he not drawn such a tough first round opponent. Team-mate Jay St. James lasted only 27 seconds against Doug Kimball in the 121 pound class. Kimball had no team affiliation. Two Twelve Team members were losers by one point margins. A last moment escape cost Mark Purdell his match at 134 pounds with Joe Burgey (no affiliation) 8-7 while at 169 pounds, Don Martynec earned a point riding time but it wasn't enough and he lost 4-3 to Ronald Thompson of the Orange County Grapplers. But all was not bad for the Twelve Team: capt. Joe Eveland took a 4-1 decision over Chris DePerno of West Dryden Athletic Club in opening round action.
- \* Three Spencerport wrestlers competed. Kevin Murray wrestled in the 121 pound class for the Canandaigua Elks while Steve Brongo went for the Gates-Chili Recreation Club at 100 pounds and brother Ken Brongo grappled without team affiliation. Murray got a near fall on Phillip Roblee of the Pioneer Wrestling Club but wound up the loser, 9-5. The Brongos likewise lost their opening round matches, Steve by a 10-2 decision to big Doug Howland of NVAC and Ken by a 2-0 margin to Dave Manos of Pennsylvania Olympic Club. Ken was at 128 pounds.
- \* Trophies were given to the top four finishers of each weight class, both open and high school division.
- \* Midway through the first round, it was announced that there would be no wrestle-backs. Only semi-final losers could go for 3rd place.
