Every good wrestler's goal is to be state champion. Mitch Hiller, a junior, is the hero of the wrestling team! After having won the County Championship, he anticipates good results in the sectionals and hopes to have a chance for that goal.

The team has a 7 win 5 loss league record for the 1976-77 season. They presently have 4 freshman, 5 sophomores, 3 juniors, and 1 senior. Their goal for next year is to be the top league contender.

Acknowledgement goes to the Warsaw Super Duper who donated two cases of oranges for all participating wrestlers.

All wrestlers should be commended for their discipline to weight control; adjustment to the long hours execution of good wrestling skills; demonstration of great sportsmanship; the endurance and stamina necessary for championship tournaments.
